**REQUEST FOR CERTIFICATE OF CORRECTION**  
**UNDER 37 C.F.R. § 1.323**

Sir:

It is respectfully requested that a Certificate of Correction be issued by the Patent and Trademark Office ("PTO") due to errors which appear in the printed patent as a result of PTO mistakes, and clerical mistakes which were not the fault of the PTO. A Certificate of Correction Form PTOL-1050 is enclosed.

**Facts Supporting Request:**

Patentees filed the application which matured as the subject patent and inadvertently failed to list two of the named inventors -- Ikuo Takahasi and Hideshi Tomita. Patentees later recognized this error during the pendency of the application and filed on June 20, 2005 a Request to Correct Inventorship Under 37 C.F.R. § 1.48(a)(1). Patentees received a Decision on Petition Under 37 C.F.R. § 1.48(a) mailed August 10, 2005, which denied the Request because of the alleged failure to provide a statement from one of the omitted inventors that the error in inventorship occurred without deceptive intent. Patentees filed on February 2, 2005 a Response to Decision on Petition Under 37 C.F.R. § 1.48(a) indicating that that identified statement was indeed filed, but nevertheless furnished a second copy thereof for convenience. On November 3, 2005 a Decision on Petition was mailed by the PTO indicating that the Request had been granted.

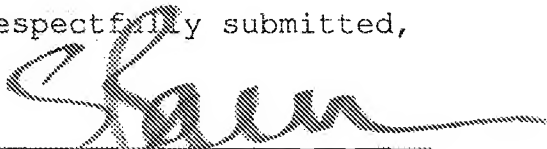

In preparing the issue fee transmittal (Form PTOL-85), Patentees omitted one of the Assignees' name and residence, which was filed in the PTO on June 20, 2005. The first Assignee's name and address was provided on the Assignment previously recorded on September 8, 2003, Reel

014485, Frame 0121 (copy attached as Exhibit A, see Assignment 1). The omitted Assignee's name and address was provided on the Assignment previously recorded on June 21, 2005, Reel 016705, Frame 0815 (copy attached as Exhibit A, see Assignment 3).

Since as noted above, one of the errors for which a Certificate of Correction is sought was Patentees mistake, the Commissioner is authorized to charge a fee of \$100.00 to Deposit Account No. 12-2135. Should any fees be due for entry and consideration of this Certificate of Correction that have not been accounted for, the Commissioner is authorized to charge them to Deposit Account No. 12-2135.
